### About Your Interest Rate

☒ **Your rate is fixed**

This means that your interest rate will remain constant over the full term of the loan.

☐ **Your rate is variable**

This means that your actual rate varies with the market and could be lower or higher than the rate on this form. The variable rate is based upon the [Index] Rate (as published in the [source of index]). For more information on this rate, see reference notes.

- If your interest rate is variable, it will never exceed 6.000%** (the maximum allowable [by law] for this loan)
